TRINAR[®] 70% Fluoropolymer

This tough, flexible, strongly-bonded finish provides the following benefits:

- Excellent UV resistance • Excellent heat resistance • Excellent chemical resistance
- Unparalleled gloss and color retention • Uses only the highest quality ceramic and inorganic pigments for the finest metal finish available
- Resists chalking, fading, chipping and cracking • Resists staining due to airborne pollutants

* TRINAR[®] CC colors, formulated in TRINAR's[®] COOL CHEMISTRY[®] Series, contain ceramic infrared reflective pigments which are designed to reflect infrared energy and comply with Energy Star guidelines.

All TRINAR[®] colors featured in the Corle Color Selection Guide include a 35-year limited warranty.
